

NATIONAL OFFICESDENMARK

Sir C. Hurst

V. G. Roth

WASHINGTON, JULY 13TH, 1944.

SECRETARY'S PRESS CONFERENCE

Secretary made following statement: "Recent events in Denmark have again proven that the spirit of freedom cannot be crushed in a people determined to uphold their liberties. The Danes have steadfastly opposed the attempts by the Germans to establish a 'model protectorate' in what once was and will again be a free and sovereign country. Their stand, inspired by leaders within and without Denmark, associates them with the people of the other countries who firmly resist the German oppressors and whose conduct sets an example to the people of other lands whose craven leaders succumbed to the false promises of the Nazis. There is no Danish Government which can give expression to the feelings of Denmark by adhering to the United Nations declaration. We recognise, however, that the Danish people have placed themselves side by side with the people of the United Nations and like them are determined to contribute to the common struggle for victory over Nazism and for the attainment of the aims of the Atlantic Charter."

Sir,

Will you allow me to send you these lines in order to introduce Dr. Stephan Hurwitz, Professor of Criminal Law at the University of Copenhagen.

Professor Hurwitz in September 1943, after escaping being arrested by the German police in Copenhagen, left for Stockholm where he has been Chief of the Office for Danish Refugees in Sweden.

Professor Hurwitz a few days ago arrived in London at the request of this Legation in order to assist in consultations with representatives of Shaef in certain legal matters connected with the liberation of Denmark.

I should be most grateful if Professor Hurwitz could be admitted to the meetings of the United Nations War Crimes Commission and be given an opportunity of replying to questions regarding war crimes committed in Denmark which the Commission may wish to ask.

I have the honour to be,

Sir,

Your most obedient servant,

Sir Cecil Hurst, K.C.B.,
K.C.M.G.

President of the
United Nations Commission for
the Investigation of War Crimes

Your Excellency,

I beg to acknowledge with many thanks your letter of the 21st instant, introducing Dr. Stephan Hurwitz, whose judicial experience and knowledge of the situation in Denmark will evidently be of great value in tracing the perpetrators of the many war crimes committed by the Germans in Denmark, and bringing them to the notice of the Commission. I can assure your Excellency that when cases in which Denmark is interested come before the Commission the latter will gladly welcome any assistance which Dr. Hurwitz may be able to afford to it.

I have the honour to be,

My dear Will,

In your letter of the 16th February you told me that the Commission were going to proceed with cases of war crimes committed against Danish nationals.

I now enclose two documents which recently reached us from Stockholm regarding the murder by the Gestapo of Mrs. Doris Kaerra, a British-born Danish subject resident in Copenhagen. They are

i) A translation of an article from "Dagens Nyheter".

ii) An original sworn statement signed by a Mr. Wight, brother of the deceased, before our Consul at Malmö.

Would you be good enough to hand them to whoever is dealing with Danish cases?

Yours ever

Dear Dr. Schram-Nielsen,

From the charge against Dr. MEIDNER which your Government recently transmitted to the Commission, it follows that the evidence in this charge might also be used in the charge against General PANCKE who has been charged and listed on the Commission's initiative before your Government became a member of this Commission.

I enclose herewith a copy of that charge for your information and would very much appreciate if you could let me know whether your National Office would like to "adopt" the latter as its own charge. Such action of yours would enable the Commission to list PANCKE as wanted by Denmark, whereas at present he is listed as wanted by the Commission.

Yours sincerely,
